	1	Build a Project Tasks List	Vince Lachenal	Completed	m/d/yyyy	This is an evolving list	Vince Lachenal
	2	Data Source: Move from Datalake to Redshift	Vince Lachenal	In progress	m/d/yyyy	Notes	Vince Lachenal
	3	General UI: Move all common controls to the top most section of the app. - start date - end date - search box - queue selection - apply button	Priyatam Piyush	Not started	m/d/yyyy	Notes	Vince Lachenal
	4	General UI: Horizontally scrolling the data tables are difficult to do once the reports return a huge set of rows.	Priyatam Piyush	Not started	m/d/yyyy	The drilldowns for example: The users need to scroll all the way down the very bottom of the page just to see the horizontal scroll bar. cant we implement the view port of the data table to dynamically resize with the real estate of the browser window? Should be vVery similar to how Amazon Management Console does it	Vince Lachenal
	5	Queue Performance Matrix: Include filter for Queue Selection in UI. Must be able to select multiple queues	Priyatam Piyush	Not started	m/d/yyyy	Notes	Vince Lachenal
	6	Queue Performance Matrix: Incorporate Time Analysis Reports into Queue Performance Matrix - By Queue - By DID - By Agent - By Hour - By Day - By Month - By State	Priyatam Piyush	Not started	m/d/yyyy	Notes	Vince Lachenal
	7	Queue Performance Matrix: Dist By State SQL	Vince Lachenal	Not started	m/d/yyyy	Notes	Vince Lachenal
	8	Queue Performance Matrix: Add a "totals" row at the bottom of the data table	Priyatam Piyush	Not started	m/d/yyyy	Notes	Vince Lachenal
	9	Queue Performance Matrix: User must be able to freely sort (ascending or descending) any column in the data table	Priyatam Piyush	Not started	m/d/yyyy	Notes	Vince Lachenal
	10	Queue Performance Matrix: Drilldowns: Access to download or play call recordings - SQL must be updated to include location of the recordings from S3 bucket	Vince Lachenal	Not started	m/d/yyyy	Call Recording Access	Vince Lachenal
	11	Queue Performance Matrix: Drilldowns: Access to download or play call recordings. - Controls must be provided to the UI to access the call recordings	Priyatam Piyush	Not started	m/d/yyyy	Call Recording Access	Vince Lachenal
	12	Navigation Menu: Reorganize into Submenus. ----- > Dashboard Overview > Queue Matrix > Queue Distribution > Answered Calls > Unanswered Calls > Agent Matrix > Agent Activity > Agent Performance > Agent Availability > Transferred Calls > Contact Traces	Priyatam Piyush	Not started	m/d/yyyy	Clicking on "Queue Matrix" parent menu will show sub dashboard that includes sections for: - Total Answered Calls - Total Unanswed Calls - Service Levels - Links to Distribution, Answered Calls and Unanswered Calls Pages Clicking on "Agent Matrix" parent menu will show sub dashboard that includes sections for: - Agent Summary - Agent Totals Transferred Calls does not have any child menu --- Other Notes --- Agent Performance = Agent Call Disposition Agent Analysis = Agent Availability Contract Trace: new page for viewing details reports	Vince Lachenal
	13	Queue Matrix: Create landing page. Queue Matrix is a sub-dashboard that contains the following sections: - Total Answered Calls - Total Unanswered Calls - Service Levels - Links to child pages	Priyatam Piyush	Not started	m/d/yyyy	Notes	Vince Lachenal
	14	Queue Matrix: Total Answered Calls SQL	Vince Lachenal	Not started	m/d/yyyy	Notes	Vince Lachenal
	15	Queue Matrix: Total Unanswered Calls SQL	Vince Lachenal	Not started	m/d/yyyy	Notes	Vince Lachenal

#	Task ID	T _T Task	👤 Assigned To	🔄 Status	📅 Status date	T _T Notes	👤 Added By
	16	Queue Matrix: Total Service Levels - Answered	Vince Lachenal	Not started	m/d/yyyy	Notes	Vince Lachenal
	17	Queue Matrix: Total Service Levels - Unanswered	Vince Lachenal	Not started	m/d/yyyy	Notes	Vince Lachenal
	18	Queue Matrix: Queue Distribution: Rename to Queue Performance Metrics to Queue Distribution	Priyatam Piyush	Not started	m/d/yyyy	Notes	Vince Lachenal
	19	Queue Matrix: Answered Calls: Create new report/page utilizing already available SQLs - answered/qry_answeredbyqueue.sql - answered/qry_answeredbydid.sql - answered/qry_answeredbyagent.sql - answered/qry_answeredby_drilldown.sql	Priyatam Piyush	Not started	m/d/yyyy	Notes	Vince Lachenal
	20	Queue Matrix: Unanswered Calls: Insert the existing report page. Rename from Unanswered Call Analysis to just Unanswered Calls	Priyatam Piyush	Not started	m/d/yyyy	Notes	Vince Lachenal
	21	Agent Matrix: Create landing page. Agent Matrix is a sub-dashboard that contains the following sections: - Agent Summary - Agent Totals - Links to child pages	Priyatam Piyush	Not started	m/d/yyyy	Notes	Vince Lachenal
	22	Agent Matrix: Agent Summary SQL	Vince Lachenal	Not started	m/d/yyyy	Notes	Vince Lachenal
	23	Agent Matrix: Agent Totals SQL	Vince Lachenal	Not started	m/d/yyyy	Notes	Vince Lachenal
	24	Agent Matrix: Agent Activity: Insert the existing report page. Rename from Agent Activity Analysis to just Agent Activity	Priyatam Piyush	Not started	m/d/yyyy	Notes	Vince Lachenal
	25	Agent Matrix: Agent Performance: Insert the existing report page. Rename from Agent Performance Analysis to just Agent Performance	Priyatam Piyush	Not started	m/d/yyyy	Notes	Vince Lachenal
	26	Agent Matrix: Agent Performance: Needs to filter by agent/multiple agent	Priyatam Piyush	Not started	m/d/yyyy	Notes	Vince Lachenal
	27	Agent Matrix: Agent Performance: Needs to filter by start and end date	Priyatam Piyush	Not started	m/d/yyyy	Notes	Vince Lachenal
	28	Agent Matrix: Agent Performance: Drilldown SQL	Vince Lachenal	Not started	m/d/yyyy	Notes	Vince Lachenal
	29	Agent Matrix: Agent Availability: Insert the existing report page.	Priyatam Piyush	Not started	m/d/yyyy	Notes	Vince Lachenal
	30	Agent Matrix: Agent Availability: Revisit and improve the drilldown	Vince Lachenal	Not started	m/d/yyyy	Notes	Vince Lachenal
	31	Contact Traces: Create new report/page. Page should have a tabs group reports by: - by "Answered Call Details" - by "Unanswered Call Details" drilldown must be available for all records displayed	Priyatam Piyush	Not started	m/d/yyyy	Notes	Vince Lachenal
	32	Contact Traces: Answered Call Details SQL	Vince Lachenal	Not started	m/d/yyyy	Ensure Call Recording is supported	Vince Lachenal
	33	Contact Traces: Unanswered Call Details SQL	Vince Lachenal	Not started	m/d/yyyy	Notes	Vince Lachenal
	34	Contact Traces: Call Details Drilldown SQL	Vince Lachenal	Not started	m/d/yyyy	Notes	Vince Lachenal
